**Sighing** Matrix

**Shilmul** / Bridge of Sighs

ou're almost home, but your own

defences as you left them long ago will

not let you through – that's why they'r such good defences! You must crack

your own code, and demonstrate to

yourself that you are ready to return to

the centre of your inner world.

Stakamanti / Diamond Shoals

You're on your own, Fleet! This is the last matrix before the open void, and usually comes into play when one experiences the death of a respected elder, friend, relative or mentor. Grief and sorrow accompany the leave-taking, but so does a shouldering - a taking on

**PORTARODA** 

**21ST** 

Bara Peskis / Research Station **Superlative** Matrix

-1st to 208th sides of the psyche

What exactly did you find in the Anomalous Matrix? It's time to unpack its secrets in the Superlative Matrix, a research outpost perched on the edge of projection and trauma that will allow you to better study what exactly has been happening to you, and why.

**Korsalumera** / Mothership

You have your clues, your data, and your

pathway home. It's time to journey into

the farther reaches of your inner

universe; to do this, you will need an

inner fleet of explorers, led by your

nner Mothership as its beating heart

soul, body and mind: the Korsalumera.

You've dealt with the apocalyptic Reaping Matrix, and believe your journey is at an end. Is it? Your inner satellites have detected an object underneath the sands of your inner great desert; will you investigate? And hat will you find in the First City?
